ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY
November 22, 1963, Dallas, Texas
MISCELLANEOUS - INFORMATION CONCERNING

On the night of March 28, 1966, Mrs. Jean Lollis Hill, 9402 Bluff Creek, Dallas, Texas, telephone number EV 1-2271, telephonically contacted the Dallas Office of the Federal Bureau of Investigation (FBI) and requested that she be contacted by a Special Agent familiar with the assassination investigation.

On the morning of March 29, 1966, Mrs. Hill advised that during the past week she has been telephonically contacted on several occasions by an individual identifying himself as De Antonio who indicated he and a Mr. Black were preparing an educational television documentary concerning the assassination of President Kennedy and desired to interview her in detail. She stated that she had not consented to such an interview but on the evening of March 28, 1966, two individuals identifying themselves as De Antonio and Black, appeared at her residence for the purpose of interviewing her. She stated that she questioned them as to the exact nature of their visit and being a school teacher, herself, doubted that they were endeavoring to compile data for any educational television documentary relating to the assassination.

Mrs. Hill stated that she had previously talked to an individual named Jones Harris, who was also desiring to interview her for purposes of a book he was writing and that Jones Harris had indicated to her that De Antonio was one of "Mark Lane's men."

Mrs. Hill advised that she specifically asked De Antonio and Black if they were connected with Mark Lane and De Antonio admitted that Mark Lane was "one of their backers." She stated De Antonio mentioned that some of the backing was coming from England for his project.

Re: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

CONFIDENTIAL

February, 1965, telephone PL 5-8310.

On February 25, 1965, Florance Gaffney, operator of Belles / North Limited Answering Service, basement of apartment house located at 221 East 78th Street, New York, New York, advised that Jones Harris, at the above-mentioned New York address, was convinced that Lee Harvey Oswald did not assassinate President Kennedy and that Harris believed Oswald was one of the persons appearing in a well published photograph of a group of people appearing in the doorway of the Texas School Book Depository building on the day of the assassination. She indicated that Harris was supported in this theory by a New York attorney, Arnold Krakower.

Mrs. Gaffney described Harris as a free lance writer, white male, in his early thirties, short stocky build, about 5'6" tall, dark hair, balding, and dark eyes.

On January 12, 1966, DL T-1, a confidential source abroad, furnished information to the effect that Mark Lane had finished reading the proofs of his book dealing with the assassination of President Kennedy, entitled "Rush to Judgment." According to this source, an article appeared in the Danish newspaper "Lolland-Falsters Folketidende", on January 4, 1966, which related that a documentary film of full length was expected to be produced dealing with the assassination and founded on Mark Lane's book. The film was to be made by De Antonio, not further identified, and was to be based on pictures taken by American Broadcasting System and the Columbia Broadcasting System. The article indicated that in February, 1966, Lane and his assistants were going to Dallas to talk to witnesses of the assassination. (C)

Warren Allen Reynolds, 8707 Mosswood, Dallas, Texas, advised the Dallas Office of the FBI on March 30, 1966, that he had been recently contacted by an Emile de Antonio, a producer for Judgment Films Corporation, New York City, New York, formerly associated with BBC-TV, New York City (not further identified). Antonio advised Reynolds that his film company was making an educational film regarding the assassination of President John F. Kennedy. Antonio indicated they were staying at the Arlin Motel, Arlington,
