Enclosed are eight copies of an LHM in this matter dated 3/12/64. The information therein was obtained on 3/11/64. T-1 therein is Dr. GUENTHER NOLLAU, Chief of the Left-Wing Radicalism Division of the Bundesamt fuer Verfassungsschutz - (BfV - West German Federal Agency for the Protection of the Constitution). The LHM is not classified inasmuch as the information does not warrant this (S) Dr. NOLLAU is identified by T symbol inasmuch as it is the desire of the BfV that its (S) officials not be named and identified in communications which might become available to the public (S)

It is noted that the term "GmbH" is an abbreviation for the German phrase meaning a Limited Liability Company. In this way it is similar to the American abbreviation, of "Incorporated" and is not peculiar to any particular firm.

The characterization of "Neues Europa" indicated in the enclosed would indicate that the article in question was based on astrological conclusions. We are attempting to obtain copies of this publication and particularly a copy of the November 1, 1964 edition to further document the nature of the publication. Unless examination of the newspaper indicates that it carries allegedly factual material and indicates that the article in question is presented as such an article as distinguished from an astrological prediction, no further inquiries will be made in this matter UACB.
