~~CONFIDENTIAL~~

ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY,
11/22/63, DALLAS, TEXAS

Re San Diego letterhead memorandum of 11/27/63, which set forth information received from a State Judicial Police agent in Mexicali, Baja California, Mexico, to the effect that during the late President KENNEDY's visit to Mexico in 1962 Secret Police of Mexico City arrested an American on whom they had received information to the effect that he was planning an assassination of KENNEDY in Mexico. (u)

This office was in very close touch with all Mexican police agencies during the time of the visit of President KENNEDY to Mexico, 6/29-7/1/62. To our knowledge only one American was arrested by Mexican authorities during the course of this visit. This individual, DAVID JOSEPH ST. JACQUES, AKA, FBI #341875B, was arrested on 6/29/62 when he endeavored to approach the Presidential automobile in which President KENNEDY was riding down Reforma Street in Mexico City. It subsequently developed that ST. JACQUES was a psychopathic case who fancied that all the cancer cases in the United States were being caused by the noxious fumes being released by chemical factories and he wanted to talk to President KENNEDY about this matter.

ST. JACQUES was held in custody by Mexican authorities until 7/3/62, at which time he was deported from Mexico City to San Antonio, Texas. Full background on ST. JACQUES was furnished to U. S. Secret Service representatives while they were in Mexico City. Information concerning ST. JACQUES will be found in mylet of 7/6/62 captioned DAVID JOSEPH ST. JACQUES, FPC.

Two extra copies of this letter are attached for forwarding by the Bureau to Dallas, office of origin, and one copy is attached for forwarding to the San Diego Office for information.

The Mexico City Office investigation in instant matter is continuing.
