From this contact with PARISH and further checking of Special Branch records, New Scotland Yard, it would appear subject is an inveterate letterwriter with some mental instability. (S) b7D

MR. KEITH HOSKINGS 4

On April 20, 1970, a check of records of New Scotland Yard, London, England, reflected that KEITH HOSKINGS was born October 8, 1928, in St. Kitts, British West Indies. He arrived in the United Kingdom in 1958 and resides with his mother at 16, Gap Road, Wimbledon, London. S.W. 19. In 1960 he was arrested and convicted for theft and as of April 27, 1970 was about to be arrested again by Metropolitan Police, London, for larceny of money from his employer. (S) b7D

On April 24, 1970, Detective Sergeant FRED PARISH, New Scotland Yard, London, interviewed HOSKINGS at his residence. He described HOSKINGS as a white male with West Indian accent. He has persisted in saying to the police that he was not well enough to stand trial for his present offence of larceny from his employer and it is believed that the letters he has written to the F.B.I. at Washington and Dallas, as well as letters to American Embassy, London, U.S. Air Force Headquarters, England, and New Scotland Yard, London, have all been an attempt on his part to say that he has been cooperating with New Scotland Yard and the F.B.I. in solving major crimes, which he hoped would act in mitigation for his current offense of larceny from his employer. (S) b7D

When interviewed by Sgt. PARISH, he professed intimate knowledge of all the current major crimes in London, including a kidnaping and murder case and an espionage case currently being tried. He also claimed to have been a member of the Mafia sent to England. (S) b7D

Sergeant PARISH is of the opinion that because of subject's mental instability he thought he might be immediately brought to the U.S. to assist U.S. authorities, thus saving himself from being arrested and sentenced in London. (S) b7D
