R. KRYSTOSIK to H. MALIN UDS. [RK] says that since the [Polish] Embassy nor the Consul Office in Chicago requested the police guard, the Poles feel that the Chicago newspaper should be asked to make a retraction or correction. Malin asked if they had heard from KITA or anyone. No. Malin asks if they know if only plainclothesman is there now. No, they just feel the statement should be corrected. Malin says that almost all of USDS personnel are some place or another greeting the incoming officials of foreign nations, that it would be virtually impossible to do anything today, but that first thing tomorrow he will bring it to the attention of those who handle press matters, for their consideration. OK, yhanks much. vhw
