should consider the possibility of obtaining a list of long distance telephone calls from the phones in the residences. It is noted that source advised that GIANCANA spends "piles" of money making long distance calls to CAROLINE in California while he is in residence in his Mexico and Beirut homes, and while travelling as he does extensively. (S) U

The Foreign Liaison Desk is requested to make appropriate arrangements with Interpol and with any other appropriate agency for the purpose of placing stops so that the travels of GIANCANA can be monitored. It is noted that the Legat in Beirut advised by their letter 5/18/73 that the Surete Generale there had advised that stops placed by Interpol on the subject remained in place at that time. It is noted that GIANCANA had recently renewed his passport and that it was issued December 18, 1973, valid for three months only, not to be extended without the express authorization of the Department of State in Washington. It is valid for all countries except Cuba, North Korea and North Viet Nam, and may be used by bearer for lawful travel within its validity whenever and as often as desired without further notification to State Department or other agency. The Passport Office does not receive information as to whether or not passport is used for foreign travel. This passport number is D-2693017. GIANCANA used his legal residence, 1147 South Wenonah, Oak Park, Illinois. (S) U

WFO is requested to make appropriate arrangements with the Passport Office of the Department of State in order to be alerted when GIANCANA renews this passport it being noted that it will expire in March. U

Attention of the Los Angeles Office is invited to their teletype 11/20/73, wherein they conducted discreet and indirect investigation in an attempt to identify "CAROLINE". Los Angeles reported that the Agent of Miss BACALL is PETER WITT, 321 South Beverly Drive, Beverly Hills, California, telephone 277-8711. U

note that this girlfriend, CAROLYN, is reportedly very closely acquainted with LAUREN BACALL, well known entertainer and apparently has traveled with her in past, particularly to London, when BACALL was appearing in stage store "Applause" there. U

2. New York will contact appropriate sources in theater in New York and make open inquiries concerning CAROLYN, with a view towards a complete identification of her. U

LOS ANGELES

In view of the demise of the source of this information, direct contact should be made with WITT, who should be in a possession to furnish the identity of "CAROLYN". U

2. The Los Angeles Office is requested to make further open inquiry at this time, in order to identify CAROLYN. It is noted that at the time of the receipt of this information from CG 7177-PC, the Los Angeles was requested to be most discreet in conducting investigation concerning the identification of CAROLYN, however, in view of the fact that source was murdered in gangland fashion in Chicago on 12/20/73, this investigation can now be conducted openly and directly although no reference to the source as having furnished the information should be made. U

WFO

AT WASHINGTON, FIELD OFFICE. Will maintain contact with the source, WF 4920-PCI, who furnished information in 12/73, concerning the presence of GIANCANA in Washington for purpose of renewing his passport. ADMINISTRATIVE

Copies of this report are being designated for the Legats at Mexico City, Rome and Beirut. The Mexico City Legat is requested to furnish a current identification of the location of the residences of GIANCANA in Curnavaca and from Mexico City. The Legat should also give thought to obtaining a list of the calls made from the telephones located at those locations. It is noted that CG 7177-PC has advised that GIANCANA has made telephone calls from his residences to his girlfriend "CAROLYN" and the Chicago Office is interested in a complete identification of CAROLYN. A review of his toll calls should reflect the telephone number of CAROLYN in the United States. The Legat in Rome has been requested to conduct investigation at the King George's Hotel in Athens, Greece, in order to effect an identification of CAROLYN. The Legat in Beirut has been requested to identify and locate the apartment of GIANCANA, which he reportedly maintains in Beirut, across the street from an Officers Club, which was bombed by the Israelis some time ago. The Legat in Beirut should also attempt to review the phone calls made from that residence in order to effect identification of CAROLYN and provide other information concerning contacts of the subject.
