CG 6576-C\* furnished the following information on 8/19/63, regarding activities occurring within the offices of the First Ward Democratic organization:

The informant advised that PAT MARCY spent the greater portion of the morning in the offices conducting ward business and that no information of pertinence was discussed. MARCY was away a greater portion in the afternoon for the purpose of contacting several individuals, one of whom was known to be FRANK ESPOSITO. The purpose of this meeting was unknown as was the other business conducted by MARCY during the day.

As the Bureau is aware CG 6283-C is an extremely valuable informant who is closely associated with the individuals in the 1st Ward Democratic Organization and performs legal work for these individuals as well as the Anco Insurance Company with which JOHN D'ARCO is connected.

For the information of the Bureau CG 6283-C advised during 12/62, that Room 705 at 100 North LaSalle Street, was being vacated by Dr. LOIS HIGGINS, Editor of the Police Digest Publication and that this office space was being remodeled by PAT MARCY which was to be utilized subsequently as a meeting place for politicians and hoodlums.

On 2/11/63, CG 6610-C\* was installed in Room 705, 100 North LaSalle Street, and was placed in service on 2/12/63. Since that time no pertinent information has been developed by this confidential source.

*100 N. LaSalle Street  
Chicago, Ill.*

CG 6283-C advised that Room 705 has been vacant since 12/62, and that PAT MARCY had rented this office in the name of Larson Construction Company, Joliet, Illinois. According to informant, MARCY and his group have not utilized Room 705 because they felt that this office space looked suspicious since it was vacant and the tenants were conspicuous by their absence.

Room 705, therefore, was subsequently vacated by the Larson Construction Company.

On 8/21/63, CG 6283-C advised SA VINCENT L. INSERRA that Room 705 was recently taken over by informant's law office which was immediately adjacent to this space. Informant said that Room 705 has been completely remodeled with a connecting door to the informant's law office and a five year lease agreement has been signed by the informant with the building management for Room 705.

*211*  
Informant stated that on 8/19/63, he was contacted by CHARLES NICOSIA the Administrative Clerk for PAT MARCY of the 1st Ward Democratic Organization which is located on the 23rd floor of 100 North LaSalle Street. NICOSIA told informant that he was sent by PAT MARCY to ask a favor of informant. NICOSIA said that PAT MARCY wanted the informant to give up Room 705 so that it could be reoccupied by Dr. LOIS HIGGINS who was the occupant of this space in 1962. NICOSIA told informant that PAT MARCY is the absolute power in the 1st Ward Democratic Association and that MARCY stated that it was extremely important that informant give up the occupancy of Room 705.

Informant told NICOSIA that if he had known sooner about the desires of PAT MARCY, he would not have occupied Room 705 and would have made it available ~~for~~ MARCY. Informant told NICOSIA that it was too late to give up this office space since extensive remodeling has been done and a new law partner has been added to the firm who is now occupying this room. Informant told NICOSIA that it would not be possible to give up this space because they have signed a five year lease agreement with the building management.

NICOSIA again stated that it was absolutely necessary that this room be made available ~~for~~ Dr. HIGGINS and that this was a direct order from PAT MARCY. Informant inquired why it was so important to give up this office space for Dr. LOIS

HIGGINS, and [redacted] replied "LOIS HIGGINS is one of our people." Informant again told NICOSIA that this situation was out of his hands and he would have to see the building management about the office space in question.

CG 6283-C further advised that he was subsequently contacted by CLARENCE JOHNSON who is the building manager at 100 North LaSalle Street. JOHNSON told informant that he was contacted on 8/19/63, by PAT MARCY concerning Room 705. JOHNSON stated that PAT MARCY was vehement in his demands for gaining possession of Room 705 for LOIS HIGGINS and made several threats to Mr. JOHNSON. JOHNSON explained to MARCY that it was too late at this time to obtain Room 705 for LOIS HIGGINS because of existing lease agreements between the management and informant's law office. Informant stated that according to JOHNSON, MARCY was not interested in any other office space except Room 705. JOHNSON told MARCY that there was nothing further that could be done at this time and if MARCY had any additional complaints to take it up with the owner of the building who was not immediately available at this time.

Informant further advised that there is no doubt in his mind that PAT MARCY will continue in his efforts to obtain occupancy of Room 705 since MARCY would feel quite secure in the use of this space providing he is able to obtain a suitable front to occupy this room such as LOIS HIGGINS. Informant stated that Room 705 is between the informant's law office and the union office of FRANK ESPOSITO, labor boss of the Municipal Employee's Union, who is closely associated with Chicago hoodlums. According to informant he has no doubt that LOIS HIGGINS, who is the Director of the Illinois State Crime Prevention Bureau, is under the influence of the 1st Ward Organization and who would apparently make her office available to these individuals for their clandestine meetings.

*J.H. Sullivan*  
*Lois*  
for the information of the Bureau the "Chicago American" dated 8/21/63, in the Society Section carried an article concerning Dr. LOIS L. HIGGINS entitled "Criminology Expert to Teach at Sea". This article referred to Dr. HIGGINS as the Director of Illinois Crime Prevention Bureau and the President of the International Association of Women Police. Dr. HIGGINS, according to the article, expects to be a member of the faculty of the University of the Seven Seas which sets sail in 10/63, for a cruise around the world. This cruise will stop at various foreign ports which have universities and will hear lectures in the field of criminology.

This article also reported that Dr. HIGGINS during 10/62, was reappointed by Chairman ROBERT KENNEDY as a special advisor to the President's Commission on Juvenile Delinquency and Youth Crime for another year's term.

It appears from the above information that Dr. HIGGINS will be leaving the Chicago area in October for approximately a year and that the above attempts by MARCY to regain possession of Room 705 is obviously for his own use during the absence of Dr. HIGGINS. It would appear that should MARCY regain possession of Room 705 the reactivation of CG 6610-C\* would be an extremely valuable source into the activities of MARCY and other Chicago hoodlums. In the event MARCY is unable to obtain Room 705 as indicated, it is possible that MARCY may be considering using the office of FRANK ESPOSITO which is next door to Room 705, it being noted that MARCY was recently in contact with ESPOSITO. This situation will be closely followed.

The Chicago Office through discreet contacts with CG 6283-C and CLARENCE JOHNSON, Building Manager who has been contacted confidentially in the past, will attempt to make available Room 705 for the 1st Ward Organization so that the Chicago Division would be in an excellent position to afford confidential coverage in this regard.

DAILY SUMMARY

JUNE

CG 6576-C\* furnished the following information concerning activities occurring within the 1st Ward Democratic Organization on 4/14 and 15/63.

Initial conversation on 5/14/63 between PAT MARCY and FRED ROTI there concerned an internal battle taking place presently within the Cook County Republican Party. Mentioned specifically during the conversation was Secretary of State CHARLES CARPENTIER, who had split from the CGILVIE-SCOTT faction, which group presently seems to command the most power in Cook County Republican circles following the election of these two individuals to high public office during the elections of November 1962. Further comment was made regarding arguments between CARPENTIER and City Councilman RICHARD HOELLEN, concerning party loyalties. Of particular note during the discussion were MARCY's remarks to the effect that the recent publicity reflecting Federal investigation into 1st Ward activities did not limit this investigation to the Democratic organization but also pointed out ties between the Republicans and the West Side Bloc and members of organized crime.

Shortly thereafter, ANTHONY TISCI joined MARCY and the two were subsequently joined by an attorney, IZZY GOLDSTEIN.

From the following conversation, it became known that GOLDSTEIN is presently representing a former Chicago policeman named MAOLA (ph), who was indicted in 1960 during the national elections for vote fraud. When it became known that MAOLA was a policeman, he was subsequently suspended from the Chicago Police Force and his case is presently due to come up before the Civil ~~Service~~ Commission for his release from the force. GOLDSTEIN discusses the situation with MARCY and has requested MARCY to pull as many strings as he can so that this individual can be <sup>re</sup>instated. GOLDSTEIN takes the stand that MAOLA was merely the victim of circumstances, but is being made to bear the entire brunt of this incident.

GOLDSTEIN  
[redacted] requested MARCY to contact the Mayor, leading police officials, and LOU WEXLER, the Assistant Corporation Counsel, under whose direction the case will be tried before the CSC. During the conversation, [redacted] to [redacted] and was also requested to do his part on behalf of MAOLA. GOLDSTEIN continued that MAOLA has been out of work for 15 months and has been having difficulty gaining employment when the reasons for his unemployment become known. It is pointed out that the violations occurred in the 28th Ward, of which GIROLAMI was alderman at the time of the occurrence. GOLDSTEIN claims that MAOLA told him that GIROLAMI had instructed him to do "it" which GIROLAMI disclaims heatedly.

MARCY's first statement concerning his actions in the matter will be to have the case postponed for a minimum of two months so that they will have more time to work on the matter.

During the afternoon of 5/14/63, Lieutenant LOUIS MUELLER and Officer JOHN AURIEMMA, License Officers of the Chicago Police Department, were in contact with PAT MARCY. Lt. MUELLER explained that he is investigating an application for a liquor license made by Austin Liquors. It is noted that Austin Liquors is owned by the FILICHO family and that there are numerous Austin Liquor Stores located throughout the Chicago area. One of the members of the FILICHIO family is BEN FILICHIO, who testified as a defense witness for TONY ACCARDO during ACCARDO's trial in the fall of 1960.

Lt. MUELLER explained to MARCY that there is no way that he can grant, legally, the application for a license, due
