ENCLOSURES:

TO BUREAU

Original and one copy of a letterhead memorandum characterizing informants utilized in this report.

ADMINISTRATIVE:

Because of the volume of investigative material being accumulated at Miami, the Miami office will now submit pending reports in this case.

Referenced Tampa report of 2/9/67 refers to the Miami fisur of the subject making a telephone call from a public telephone booth in Miami. This telephone call was of a very short duration and appeared to be local in nature, as the subject made no unusual deposit of coin for the call. The Miami office feels that a review of the toll calls charged to this telephone would be unnecessary at this time.

The Tampa report of 2/9/67 contained a lead to conduct background investigation of one JOE HEGERMAN, Royal Poinciana Avenue, Miami Springs, Florida. JOSEPH HEGEMAN, FBI #5073190, was a former PCI of the Miami and New Orleans office and a former PC of the Las Vegas and Los Angeles offices and was a close associate of CARLOS MARCELLO of New Orleans and almost all national LCN figures. He is known as a con man, check artist, etc. On 3/8/66, the Bureau instructed that no additional efforts should be made to develop HEGEMAN as a source and no effort should be made to initiate interviews with him for development purposes. In the spring of 1966, HEGEMAN was last known to be in South America. LA

This Tampa report also contained a lead reset from the 12/9/66 report regarding investigation concerning National Airlines ticket #283,403,406. Information concerning this ticket was reported by Miami airtel to Tampa of 12/6/66, page 2 of the insert.

FLA Miami telephone number 751-8148 was set forth in the 12/9/66 report and is the nonpublished telephone number of EMILY CUCCIA, Miami landlord of subject, which was previously set forth by Miami airtel to Tampa of 12/16/66, page 5 of the insert.
