[MEX 34] advised 6/7/72 that he conducted inquiry at Amsterdam 82, Mexico City, and determined from the janitor that a Mr. SAM DE PALMA occupied the penthouse at that address for approximately two years but departed supposedly for the U. S. about a week ago. He had a servant named CELSO CARRETO who reportedly has since immigrated to the U. S. aided by DE PALMA. DE PALMA had a black Mercedes and was very friendly with a local architect named MORALES, home telephone 5-35-39-90 and 5-14-15-69. (X) (u)

A pretext telephone call to this architect determined that DE PALMA reportedly was living in Beirut, from where he occasionally calls MORALES. (X) (u)

On 7/10/72 source advised that he had recontacted the janitor and determined that DE PALMA had returned to Mexico City and was living in a home he purchased in the Pedregal de San Angel section. His chauffeur CAMILO has come by for mail. (X) (u)
