TP 92-1

Department, General Telephone Company of Fla., Tampa, Fla.

On 6/6/67, OM 148-C-TE, advised that approximately three months ago, he had learned that NICK CIVELLA, who heads the "outfit" in Kansas City, Missouri, and TRAFFICANTE were taking over the bolita business in Florida and it appeared that some of the bolita operators who were not giving in to them were going to be "cut up" as an example for others. commented that CIVELLA and TRAFFICANTE are most friendly and that there is no conflict existing between them and informant was of the opinion that the recent killing of JOHN BIELE in Miami could possibly stem from CIVELLA - TRAFFICANTE. Informant also indicated that GEORGE POLERA of Daytona Beach, Fla., is a wealthy man and would like to get out of the outfit but is caught in the web and cannot get out. Informant mentioned that one CHARLES "SNOOKS" HUTTER, a hoodlum, formerly residing in Omaha, is currently operating H & H Used Car Lot in Daytona Beach, Fla. and is a front man for CIVELLA in that area.

Two T symbols are being used to appropriately conceal the identity of TP 120-C as a safeguard in preventing this person's identity becoming known due to the sensitive position which the informant occupies.

On 6/27/67, T 120-C, advised SA JOHN A. AMBLER that on an occasion in June, a package had been delivered by the postman at the Tampa residence addressed to SANTO TRAFFICANTE. 2505 Bristol. Informant remarked at the time the package arrived, TRAFFICANTE's daughter MARY JO PANIELLO was at the house, therefore, the address of the sender was not obtained. Source mentioned that later was able to see that the package had been a book about the size of a telephone directory but much thinner and it was some type of book containing pictures of individuals and group pictures. Informant mentioned had only had a couple of minutes to examine book and believes it was from some society with three initials and that the book was from Kansas City, Mo. Informant added on one page had noticed a group pictures of about seven or eight men and that one of the men pictured was TRAFFICANTE but that in looking at the names printed under the pictures, source noted that TRAFFICANTE's name did not appear under his picture but believed a name similar to the three initials recently noticed on one of TRAFFICANTE's shirts was printed under TRAFFICANTE's picture. It is noted on

on previous occasions, this source has mentioned having seen the laundry mark GAR on one of TRAFFICANTE's silk shirts. OTHER 4 Source mentioned that the last time she had observed the book, was when TRAFFICANTE had it under his arm leaving the residence.
