letter 1/23/70. U

As noted CS MEX 287 advised that subject reportedly returned to Mexico from Chicago on about 1/11/70. However, it should be noted that source has not been in personal contact with the subject since 11/69 and is getting his information second hand. *ku*

Nevertheless flight manifests for all international flights arriving at Mexico City 1/11/70 were reviewed and no reference was noted considered identifiable with the subject. Subsequently source advised that he had a report that subject was seen in Acapulco 1/6/70 and was believed to have arrived the day before. *ku*

On 1/30/70 source advised that he had been in contact with the LERNERS and they have been doing considerable speculation concerning subject. They both conjectured that subject may have never left Mexico at all inspite of his talk of visits to the U. S. including the recent supposed visit. They noted that he has not called anyone and has not been playing golf and they had a report he had "visitors." Subsequently they reported a rumor that FRANK SINATRA was visiting with the subject supposedly to escape service of a subpoena in the U. S. They speculated that SINATRA and subject are now in Acapulco probably staying at the Acapulco Towers under false names. There have been no card games recently and therefore no pretext to get together. They also speculated that subject has traveled to South America and might be going back and forth to the U.S. through Canada. The next card game will probably be late in February. *ku*

During early 1/70 subject reportedly was staying with a girl friend, a chorus girl from the Copacabana in New York, named JANE or JUNE H. *Xu*

On 2/4/70 source said that subject's visitor, reportedly came to Mexico as a regular traveler but using a different name before Christmas of 1969. They continued to speculate that the visitor was SINATRA. *Xu*

On 2/5/70 FRANK BRANDSTEDTER (protect by request), prominent Acapulco hotelman who has acted as a source of this office in the past and is familiar with SINATRA, advised that local reports are that SINATRA is due in Acapulco 2/7/70. He is to take up residence in his home in the Las Brisas section. *Xu*

BRANDSTEDTER will be alert for the possibility of subject being in contact with SINATRA or MOE MORTON in Acapulco. *Xu*

MEX 34 advised 1/6/70 that telephone number 20836 in Acapulco corresponds to the Acapulco Towers located in Lomas del Mar above the Villa Vera Hotel. *Xu*

Regarding subject's girl friend, reference is made to New York LHM 1/19/70. Mexico City source has requested extreme discretion in any contacts with this individual. *Xu*
