NOTATIONS

*[Handwritten signatures and initials]*

2. Will continue efforts to develop sources in a position to furnish continuing intelligence information concerning the activities of SEBASTIAN JOHN LA ROCCA as a "Commission" member and "family boss," as well as identification of "family" members.

ADMINISTRATIVE

Philadelphia airtel to Pittsburgh dated 8/25/63 makes reference to New York airtel of 8/5/63 in which information was received from NY 4008-PC in which the informant identified a photograph of SEBASTIAN JOHN LA ROCCA as being identical with an individual known to him as "BIG JOHN", who controls Palumbo's Restaurant in Philadelphia, as well as shylocking, bookmaking, and racketeering in Philadelphia.

Investigation by the Philadelphia Office reflects that SEBASTIAN JOHN LA ROCCA, "Commission" member, Pittsburgh Division, is not associated with Philadelphia racket activities nor apparently identical with the individual observed by the informant.

Information in this report making reference to WILLIAM "BIG BILL" LIAS has already been furnished to the Bureau and Detroit by Cleveland; therefore, no copy of this report is being furnished to Detroit.

Leads have previously been set out to Chicago to further identify PAOLINELLO, a gunman allegedly hired by NICOLO GENTILE in the past, as well as his relationship with SIGNOR D'ANDREA, former head of the Chicago "family."

Other information contained in this report suggesting possible leads or investigation by other offices has been previously set out in substantive case files pertaining to individuals whose names appear in this report.

Pittsburgh report of 7/31/63 contains additional information not included in this report which was submitted since 6/1/63.
