gambler who presently is operating the Olive Manor Motel, Burbank, California. STONE's first wife THELMA, died approximately four or five years ago and he is presently married to VAL. From his first marriage he had eight children, namely, JIMMIE LOU STONE, JOHN, JR. CYNTHIA, DICK and daughters GAYNELL JOHNSON, BARBARA (LNU), LYRAY (LNU) and PATSY TAYLOR. STONE's brother JAMES is presently in Dallas and is making efforts to move from his residence in Missouri to Dallas. STONE has two unlisted telephones in his house, EMERSON 8-1709 which STONE uses most of the time and EMERSON 3-2827 which the family uses. There are numerous extensions for these phones throughout the house. CASS has heard STONE on the phone tell people who are calling him that he could not talk to them about "that matter" over a residence phone. STONE leaves his residence approximately 9:00 AM every day, does not eat breakfast, and goes usually to B & B Restaurant. (This confidential information was previously received from DL 95-C as to STONE's activities). STONE returns to his house about 6:00 PM every day. States daughter JIMMIE LOU once told BARON CASS that her father was involved in bookmaking with WESTBROOK but that WESTBROOK handles the "rough" end. BARON CASS once saw a check in the amount of \$500 which was identified by STONE as income from his oil investments. Both CASSES, based on their financial background and dealings in financial matters and on what they have observed at the STONE residence, estimate that STONE's net income must be in the neighborhood of approximately \$200,000 per year. STONE has spoken of a friendship with a wealthy Dallas man known as BURNETT ESTES. BARON CASS also stated that on one occasion STONE obtained "hard to get" football tickets from a man who lives at 1031 West Kesler Parkway, Dallas and who appeared to be an extremely close associate of STONE. This is the residence of Dallas gambler BENNY BICKERS. STONE usually eats dinner with his wife at a restaurant, either Wyatts in Preston Center or Cody's on Royal Lane. CASSES stated they would furnish any further information which comes to their attention concerning STONE to the Dallas FBI Office on a confidential basis.

Throughout the past week the apartment house at 506 $\frac{1}{2}$ North Edgefield being used as a bookie operation by WINFREY was checked daily and it was noted that WINFREY's car was not observed as had been the previous custom.

The above information was furnished to Lt. REVILL and Deputy MORGAN on 12/14/62.
