Will maintain contact with sources concerning location of subject.

ADMINISTRATIVE:

The lengthy investigative period of this report is noted; however, this case has been kept in a pending status through 24 interoffice communications.

It is noted that the most recent substantial information concerning the location of subject MANOCCHIO indicates that he is probably in France and the Bureau is aware of the latest communication from Legat Paris.

Information copies of this report are being furnished to the New York and Newark Division since the subject was believed to be residing in one of those two divisions while he was in the U. S. and it is probable that additional leads maybe directed to those divisions in the future if and when subject returns to the U. S.

On 10/30/72, BS 769-PC advised SA DENNIS M. CONDON that ~~PRO~~/LERNER and RUDY/SCIARRA are expecting to obtain a new trial in R. I. in the murder case involving RUDY MARFEO and ANTHONY MELEI. LERNER and SCIARRA think that the FBI has another major witness who can tie them into the gangland killings.

On 9/26/72, BS 1745-PC advised SA ALBERT P. KOEHLER that FRANK VENDITUOLI is currently working on a construction project in Cranston, R. I. and he and his wife, PEGGY, have moved into a one family home on Winter Street, in Fall River, Mass. Informant advised that VENDITUOLI has been "playing it straight" and has not been in on any jobs recently.

On 12/6/72, NY4402-C-TE, who is familiar with the hoodlum element in the Boston, Mass. area was shown LOUIS MANOCCHIO's photograph and this informant stated that he had seen MANOCCHIO in the company of CARLO MASTROCOIRO. Informant stated that he has not seen MANOCCHIO in several years but would remain alert to the fact that MANOCCHIO is in a fugitive status.

On 12/22/72, BS 769-PC advised SA DENNIS M. CONDON that LUIGI MANOCCHIO is an avid skiing enthusiast and has travelled to Switzerland to ski in the past. This informant stated he would recontact his sources in an attempt to develop current info on MANOCCHIO. u

By airtel dated 1/29/73, the Boston Division requested that Legat Paris conduct inquiries at the following locations in Paris: (X)(u)

Hotel-Bonaventure

LeLux Hotel

27 Rue Bleue, Paris

Residence Santa Cruz
Rue Ricord Latri
Cannes .06 (X)(u)

These leads were set forth based on items of paper located in the apartment occupied by SALEMME and MANOCCHIO in New York City. u

By communication dated 2/1/73, the cryptanalysis section of the FBI Lab advised that after examining 11 scraps of paper containing coded words, it was the opinion of the cryptanalysis section that, with the exception of the scrap of paper containing the names of 14 European cities, no determination of the meanings of the numbers and the letters on the scraps of paper could be made. The cryptanalysis section noted that past key words are not consistent with the current material. u

By report dated 2/8/73, captioned "RAYMOND L. S. PATRIARCA, aka, AR," the Boston Division advised the Bureau that on 1/26/73, the writer contacted the Appeals Division of the R. I. Attorney General's Office and determined that no decision had been reached by the R. I. Supreme Court concerning RAYMOND PATRIARCA(a) appeal and the appeals of his co-defendants in the MARFEO murder case. u

CREIGHTON checked the names of RICHARD TAMILLA, FRANCIS SALEMME and JULES SELIG through his records and found no info identifiable with either of them. Thereupon, CREIGHTON was advised of the Bureau's interest in captioned individual and was requested to be alert for any info concerning him.

Spot checks on the East and West Sides of N. Y. City, between 55th and 85th Streets to include Central Park West, were made three times a day at various times during the day since 1/8/73, with negative results.

All informant contacts of the NYO re captioned individual have been negative to date.

On 3/2/73, Supervisor WAGNOR, at FBI Headquarters, telephonically contacted Supervisor THOMAS D. MANNING of the Boston Division and advised him that subject, MANOCCHIO, has evidently settled in Paris, France and has been living there since the Summer of 1972. During this period, MANOCCHIO has developed a friendship with a shirtmaker who received a post card postmarked 2/9/73, from a southern ski area in France.

MANOCCHIO indicated to his friend that he plans to return to Paris by 3/19/73.

According to Supervisor WAGNOR, contact had been had with the French Police and they have advised that murder is one of the several offenses that is recognized by the French Government for the return of a subject to stand trial where the murder occurred. Supervisor WAGNOR stated that contact should be made with the Office of the Attorney General for the State of R. I. to make arrangements for the provisional arrest and detention of MANOCCHIO for extradition purposes.

By airtel dated 3/2/73, the Bureau furnished the following information:

This confirms Bucal to Boston, this date, advising that the Legat, Paris, reports that French Police have positively identified MANOCCHIO as individual registered at Hotel Lux, Paris, France, from June 6 to June 16, 1972, under name RICHARD TAMIGLIA who furnished date of birth as 11/15/31. MANOCCHIO shared room on nights of June 6 and 7, 1972, with an individual who registered under the name NICHOLAS MANOCCHIO, date of birth 5/24/53, at New York City. During this stay in Paris, MANOCCHIO developed a friendship with the proprietor of Fleuron Shirtmaker, 27 Rue Blue, Paris with whom he has maintained contact. Post card received by this individual from Chamonix, France, dated 2/9/73, advised MANOCCHIO on ski trip, to return to Paris in 3/73. (2/4)

On 3/2/73, SA P. GRANT HARMON, JR. furnished the above information to the Office of the Attorney General of the State of R. I. in the person of ALBERT DE ROBBIO, Assistant Attorney General in charge of criminal cases. u

At that time DE ROBBIO stated that he would discuss this matter with the Attorney General of R. I. and would determine if the Government's witness would be available for the trial of subject, MANOCCHIO. u

On 3/5/73, ALBERT DE ROBBIO advised that the Attorney General of R. I. does not desire to extradite subject MANOCCHIO from France at this time due to the great expense involved and because the primary Government witness for the State of R. I. is not as strong a witness now as when he testified against the other defendant in this double shot gun murder case. DE ROBBIO pointed out that all of the defendants, except for one in this case, have been convicted of Murder - Conspiracy and all other defendants have been tried as accessories before the fact and were acquitted of this charge. DE ROBBIO pointed out that all convictions in this case are now on appeal before the R. I. Supreme Court and because the outcome of the appeal is uncertain, the Attorney General of R. I. does not feel that it would be worth the expense to extradite MANOCCHIO from France, since MANOCCHIO might

By communication dated March 26, 1973, Legat Ottawa advised that a telephone number submitted for subscriber checks all checked out to non-existent telephones or public pay telephones. One of these telephones was a public pay telephone located at 190 Principal Street, East, St. Agathe, Quebec. St. Agathe is a small town approximately 100 miles north of Montreal and is a favorite area for camping and skiing. (X) (U)

~~SECRET~~

Legat Ottawa advised that contact with the Royal Canadian Mounted Police indicated that the St. Agathe-Laurentian area could ideally serve as a possible refuge for the likes of MANOCCHIO. For this reason, the Quebec Police Force and the Municipal Police in the Town of St. Agathe have been made aware of the circumstances of this case and they in turn would keep the Royal Canadian Mounted Police advised of any developments. (X) (U)

By letter dated April 20, 1973, Legat Paris advised that continued investigation by the French Police Judiciaire, Police Nationale (PJPN) has determined that MANOCCHIO has not recontacted the proprietor of the Fleuron Shirtmakers nor has he returned to the Hotel Lux, Paris, France as of 4/30/73 and no correspondence from MANOCCHIO subsequent to the post card sent from Chamonix, France on 2/9/73, has been received. Attempts to locate subject in the Chamonix area have likewise been negative to date according to the PJPN. (X) (U)

On 4/24/73, BS 1938-PC was contacted by SA P. GRANT HARMON, JR. and he advised that he had received no information concerning the location of LOUIS MANOCCHIO. This source advised that "PRO" LERNER still believes that he will win his murder appeal and he thinks to much of his family to ever attempt to escape. (U)

By letter dated 6/5/73, Legat Paris advised that continued investigation by the PJPN has determined no information concerning the whereabouts of subject, MANOCCHIO, who has not recontacted the proprietor of the Fleuron Shirtmakers or returned to the Hotel Lux in Paris to date.
