Reurtel 12/11/62. (U)

Inasmuch as you have indicated there will be no access to this installation once it is placed in the automobile of Dominic "Butch" Blasi, it does not appear desirable at this time to proceed with the suggested installation. (U)

In the event a change of conditions in the future alters this situation, you may desire to resubmit your recommendation in this matter and meanwhile you should continue to be alert to the activities of Blasi and the possibility of other coverage of his operations. (U)

NOTE: Dominic "Butch" Blasi, described as the number one boy of Chicago top hoodlum Samuel M. Giancana, has ordered a new Chevrolet with specified equipment which will have to be installed at the factory. Chicago advises this automobile when received will be used for meetings between Giancana and his associates and recommends that a C.A.T. unit be installed before delivery. However, Chicago also advises that there will be no access to this vehicle after the original installation. Authority for this installation is therefore not being granted inasmuch as not having access to the car there would be no opportunity to service the unit and furthermore it appears that in the event of disposition of the car the Bureau would lose control of the unit. In addition, we already have microphone coverage of Giancana's activities at his headquarters in the Armory Lounge at River Forest, Illinois (U)

NECESSARY TO HAVE SPECIALLY MADE AT THE FACTORY, AND REQUESTED DELIVERY AS SOON AS POSSIBLE. NOTED THAT THIS CAR WILL BE UTILIZED FOR COVERT MEETINGS BETWEEN GIANCANA AND ASSOCIATES.
