Sir,

I am writing ^{CRIMINAL DIVISION} to find out if there is anything you can do to help a friend of mine. You see it all started a couple of years ago when Ray Barras and his wife went to work as bartenders for Pascal Marcello, brother of Carlos Marcello, the racketeer. Pascal made Ray's wife and that ended their marriage and at the same time put three hours on Ray and he went to the Hospital.

they warned him to stay away from his wife. Now I was with Ray last night drinking a beer and when we were getting in his car we got surrounded by Marcello's men. They broke Ray's plate in his mouth and gave him a good beating. Now some of these men wore guns and badges. One of these bouncers badge were taken away twice already but he has a pull and gets it right back. His name is Leonard Waggesspack from Gretna, La.

Now I have read your article on Police Brutality and would
