TO: DIRECTOR, FBI (92-2713)  
FROM: SAC, NEW ORLEANS (92-36) (P)  
SUBJECT: CARLOS MARCELLO, aka  
AR

The trial of CARLOS MARCELLO on charges of Fraud Against the Government - Conspiracy, began 11/4/63. The court period of 11/4-5/63 was spent in selecting a jury and the trial was recessed for one day, 11/6/63, for the purpose of affording the Government's witness, CARL NOLL, a psychiatric examination.

JACK BATES, U. S. Bureau of Wildlife Management, advised SA FRANK A. SASS, JR., on 10/28/63, that his agency has been maintaining an aerial surveillance of the area known as Churchill Farms which is a large track of swamp land owned by CARLOS MARCELLO. This area is an excellent duck hunting area and there are numerous duck blinds maintained on the property. BATES also advised that the aerial surveillance has determined that the area in the vicinity of the duck blinds have been baited.

BATES said that it is his intention that sometime in the last few weeks of November that his agency will conduct a raid at this Churchill Farm area for the purpose of identifying and charging the individuals who are hunting from baited duck blinds.

BATES advised that he would keep this office advised of the progress of his plans
