VII. According to ~~ERSTIN~~ and ~~CONFIDENTIAL~~ (PSI- protect identity), the latter an admitted homosexual, SALEBE has homosexual tendencies. DENNIS LYNN HARBER (NY 105-37990), SALEBE'S former roommate, has a history of homosexuality and mental illness according to VA Hospital records. However, interview is considered desirable in order to ascertain the nature of the subject's relation with [the Soviets], which cannot otherwise be determined. (S)

VIII. If the subject is cooperative, it is anticipated that the nature and frequency of his contacts with [the Soviets] will be determined, as well as any requests [the Soviets] may have made of him. (S)

XI. SALEBE will be interviewed at his residence. No appointment for the interview will be made. He will be informed that HARBER, his former roommate, advised Bureau agents at Kansas City that FIDEL CASTRO's agents had attempted to kidnap him and that [the Russians] were also after him. In the course of attempting to verify HARBER's allegations, SALEBE will be asked if HARBER knew [any Soviets]. It is noted that on 5-3-59, HARBER telephonically contacted the FBI KCMO Office, stating that he had been abducted by CASTRO's men but had escaped from them. He was interviewed by Bureau agents on 5-3-59, at which time he denied ever having called that office. (S)

Bureau authority is requested to interview subject in accordance with existing instructions relating to interviews with security subjects. Care will be exercised to protect the original source in this matter. No direct questions will be asked during the interview which will disclose to the subject [the identity of the official or establishment contacted, the method used in the contact, or the fact that we are aware of the contact.] The interview will be conducted in a manner so that the subject will volunteer the details of the contact. If this subject is cooperative, no affirmative steps will be taken during initial interview to [direct his activities], but a separate communication will be directed to the Bureau setting forth the results of the interview and requesting authority to recontact the subject [as a potential security informant or double agent].
