ReBulet of 3/13/73 gave Newark Division permission to determine if DAVID NAEGELI, who works at the Guggenheim Laboratory at Princeton University, has access to classified information.

ReNY FD 122 advised the NYO is deleting RICHARD FRANK from the ADEX at the NYO. By return mail, the Bureau advised his ADEX card was cancelled on 5/15/73.

It is noted that NY [11649-S] during this reporting period furnished no information regarding any contacts by the subjects with the PRCMUN in NYC. (S) (u)

Information in LHM indicated that SUSAN FRANK is no longer President of the USCPFA in NYC. NYO notes that on 4/18/73, AT 1428-PSI attended a USCPFA meeting in Atlanta in which WILLIAM HINTON from Philadelphia was a speaker. HINTON advised that he was now Chairman of a USCPFA chapter near his home. NK airtel to Bureau, dated 5/16/73, captioned "USCPFA" reported that WILLIAM HINTON is described on a recent USCPFA pamphlet as being the Chairman of the USCPFA in NYC. KENNETH MEI, during the interview with him as reported in the LHM, also mentioned that WILLIAM HINTON is the new President of the USCPFA in NYC. (u)

Information in LHM also indicated that RICHARD FRANK and SUSAN FRANK had been separated in January, 1971. It is not likely that they are still separated (if in fact they ever really were) since they both continue to use the 110 Christopher Street address. Subsequent to 1/71, information from NY [11649-S] has indicated subjects were still continuing to live together. NYO, however will endeavor to ascertain if the two are having marital difficulties and the extent of these, if any. (A)

This information should be made public only through issuance of a subpoena duces tecum directed to any officer, New York City Telephone Company 140 West Street, NYC.

On November 9, 1972, NY T-6 advised that Lucy Wall is a member of the Attica Brigade in Philadelphia.

The Attica Brigade (AB) is self-described as an organization that supports the struggle of people all over the world against United States imperialism. Peoples included as being supported in the struggle are the Vietnamese people, black and brown people, women, and working people. It is noted that the telephone number in Philadelphia used by the AB is the same number as used for the Revolutionary Union (RU) in Philadelphia.

The RU was founded in early 1968 and is a militant semiclandestine organization. Its objectives, as set out in its publication, are the development of a united front against imperialism, the fostering of revolutionary working class unity and leadership in struggle, and the formation of a communist party based on Marxism-Leninism-MAO Tse-tung thought, leading to the overthrow of the United States Government by force and violence. -7-
