The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

SUBJECT: CARLOS MARCELLO, aka
AR

NO 1457-C-TE on 9/14/67 advised that CARLOS MARCELLO is highly enraged at his attorneys for allowing a change of venue motion to be granted in Federal District Court, Eastern District of Louisiana, on 9/13/67. MARCELLO and his attorneys never thought such a motion would be granted and this motion was merely for harassment purposes.

Informant stated that during the evening of 9/13/67, MARCELLO roundly cursed his attorneys and during the evening of 9/13/67 he telephonically contacted several unknown political figures. These contacts were for the sole purpose of attempting to determine how he could have the change of venue motion decision rescinded. Informant stated that MARCELLO firmly believed that he can beat any case in the State of Louisiana, however, he is in real trouble if tried outside of Louisiana.

Informant stated that during the evening of 9/12/67, he determined that CARLOS MARCELLO had two electronic devices that he contemplated introducing into evidence in Federal District Court on 9/13/67. MARCELLO had an electronics expert waiting to testify relative to these devices. MARCELLO contemplated claiming that one device came off a telephone pole at his Churchhill Farms
