Re: [CONCEALED AUTOMOBILE TRANSMITTER (CAT)] (S)

Dear Sir:

The following concerns the technical equipment of your office:

Reurairtel 4/9/65 captioned "Angelo Bruno, aka, AR" requesting a transistorized transmitter to replace the CAT equipment now in use.

Although the Laboratory has developed a new transistorized CAT unit, the equipment is not ready for field distribution. Parts for construction of this equipment are on order and as soon as delivery and construction are completed, the new equipment will be furnished your office.
