Based on information received telephonically from Legat Rome at about 1:30 PM August 1, 1964, I contacted the Directie Politie (Direction of Police) Ministry of Justice, The Hague, The Netherlands, and furnished them the following information which was confirmed immediately by a teletype to the Directie Politie. (S)

ANGELO FRANK BRUNO

An individual believed to be identical with the subject had arrived in Milan, Italy by air from Amsterdam, The Netherlands, on 7/31/64. He was carrying a purported Italian passport #541830 issued in the name of ANTONIO ESPOSITO, born 6/18/11. The passport was issued by the Italian Consulate at Frankfurt/Main, Germany, on 7/3/62. This passport was determined to be false or fraudulently obtained and was taken from the individual believed to be the subject. Based on these circumstances Italian police were putting the individual on KLM Flight 342 departing from Milan, Italy, at 2:25PM 8/1/64, due to arrive at Amsterdam at 4:15 PM the same date. The individual being sent out of Milan reportedly had flown into Amsterdam from Edmonton, Canada, on or about 7/30/64, on Canadian Pacific Flight #382. (G-1)(u)

The Directie Politie was asked to alert appropriate Alien and Amsterdam police and to furnish information expeditiously regarding the disposition of this individual upon arrival in Amsterdam and regarding his activities and contacts there if he was permitted to remain in The Netherlands. (S)

Subsequently the Directie Politie advised by telephone that arrangements had been made in Amsterdam and that the individual would be taken into temporary custody upon arrival (S)

until his identity and proper documentation could be established and that full inquiry would be made into the possibility that he had entered and transited The Netherlands on false documentation. (S)

At 7:15 PM, 8/1/64, the Directie Politie telephonically advised that the individual had arrived as expected; was then in the custody of the Alien Police and would be held until his identity could be fully established. They stated that the individual claimed to be ANGELO BRUNO, an Italian national, born 2/2/02, at Lacaster, Italy. He said that the passport in another name which he had used upon arrival in Milan had been bought by him from a friend in Genoa, Italy, some time previously. The Directie Politie said this individual would be held until the full circumstances of his identity could be established and asked if fingerprints on the subject could be furnished. (S)

At 8:00 PM, 8/1/64, the above information was furnished telephonically to Supervisor VICTOR R. SCHAEFER from Division 9, and it was requested that fingerprints of the subject be forwarded directly to the American Consulate General in Amsterdam. The Consulate had been alerted to the probable receipt of these fingerprints. [Supervisor SCHAEFER indicated that there was strong probability that the individual in Amsterdam was not identical with the subject. It was pointed out that this office had not requested the Dutch authorities to hold the individual and that the Dutch action was taken solely on the basis of the individual's lack of proper identification.] (S)

On 8/6/64, Mr. FRANK WILE, Principal Officer at the Consulate in Amsterdam, advised that the subject's fingerprints had been received; had been turned over to the Alien Police; and that the Alien Police had advised that a comparison of them had established that the individual who arrived in Amsterdam was not identical with the subject.

By letter received 8/10/64, Mr. WILE confirmed the above information but added that he had received from the Bureau also the fingerprints of ANGELO FRANK BRUNO, FBI #5677 and that a fingerprint comparison showed that the person held by the Amsterdam authorities was identical with ANGELO FRANK BRUNO.

Since ANGELO FRANK BRUNO does not appear to be of current interest to the Bureau this case is not being kept in a pending status [to report the disposition of him by Amsterdam authorities.] (S)
