Mr. Grinnan advised that due to the unusual nature of the transaction he believed that he did not wish to continue with the deal. He advised that his business associate in Dallas, Texas, had advised him that Rothman had been making repeated calls to him in an effort to expedite the transaction.

Grinnan stated that if he obtains further information regarding this proposed transaction, he would furnish the additional information.

As of January 10, 1961, Robert E. Grinnan has furnished no additional information concerning this matter.

A confidential informant, who has furnished reliable information in the past, on March 7, 1960, furnished information that one Phillip Paneth left the United Kingdom in 1957 and that a man of the same name had recently been reported to be on the current list of journalists accredited to the United Nations organization in Geneva, Switzerland, as a representative of "Reality", a Johannesburg, South Africa, publication, and of unspecified Latin American newspapers. Informant stated that this man describes himself as the representative of the European Division of the American International Academy of New York City and Washington, D. C., which is concerned with "promoting good relations among the intellectual elite and scientists throughout the world." (S)

Informant stated this man is not a resident in Geneva, but travels constantly throughout the world and receives mail at the Press Club in London, England, or in care of Edmond Sallaz, Gornavin, Geneva. He is also reported to be accredited to the United Nations in New York, and to have been allotted office number 312. Informant stated that from all information available it appears the above information is identical to Phillip Paneth. (S)
