ADMINISTRATIVE CONT'D

On 5/3/60, JON SPELLER advised that he intended to take AGUERO to Washington, D.C., to meet with General CUSHMAN, the Executive Assistant to Vice President NIXON. He said the principal purpose of the visit to Washington would be to attempt to expedite getting AGUERO's family out of Cuba.

During the course of the interview of AGUERO, this particular point was not gone into due to the fact that the interview had to be terminated.

One copies of this report are being furnished to Miami for their information and possible future use.
