WEEKLY SUMMARY

The following is a summary of information furnished by PH 705-C\* during the period 9/19/64 through 9/24/64:

On 9/19/64 source provided only domestic activities regarding ROCCO SCAFIDI. Visitors came to the apartment but retired to the kitchen out of range of the source and furnished no intelligible information.

On 9/20/64 this activity was repeated.

On 9/21/64 ROCCO SCAFIDI was overheard telling an unknown person that on the previous Friday he had fallen off a truck at work and that his thigh was bruised. He could not go to work because of his injury. Source then called the Agent in Philadelphia and furnished the same information about the injury. SCAFIDI arranged for a doctor's appointment with his brother, SAM. SCAFIDI carried on a conversation in Sicilian that was not understandable to source with an unknown telephone caller. At 8:25 p.m. ROCCO SCAFIDI

admitted FRANKIE, later identified as FRANK MONTE. MONTE stayed until 8:56 p.m. Unfortunately, during the stay in the apartment, MONTE and FRANK NARDUCCI retired to the kitchen of the apartment which is out of range of the source. Note, however, that this is the first occasion that any of SCAFIDI's criminal associates have visited apartment. ROCCO SCAFIDI was noted to leave with FRANK MONTE at 8:56 p.m. and returned at 9:43 p.m.

On 9/22/64 a caller came to the apartment and later was identified as FRANK MONTE. Other activities of the day only pertained to domestic affairs of ROCCO SCAFIDI and his injury.

On 9/23/64 ROCCO SCAFIDI discussed a .32 caliber Colt with his wife, HELENA. He said, "he had one and I had one." ROCCO described the gun as "insurance" and "to protect yourself."

On 9/24/64 source furnished details of described domestic affairs of ROCCO and HELENA SCAFIDI. ROCCO again called the Philadelphia Agent from his home. It was ascertained that his telephone will be disconnected if he cannot pay a \$32 phone bill.

Note that one of the primary reasons for having the above source was to check on the activities of PH 672-C-TE. During this week informant, independent of this source, has reported accurately on the activities of FRANK MONTE. On Tuesday, 9/22/64, MONTE propositioned informant to go on an armed holdup. He furnished informant with a .32 caliber Colt. Informant has shown this gun to Philadelphia Agents during an interview. Informant foolishly went on this attempted holdup, which did not materialize.

It is evident from the above that this source is valuable on checking the activities of the informant. It is noted that informant frequently and foolishly talks over matters with his wife, such as the above-described gun, which enables Agents handling him to repeatedly admonish him not to divulge his association with the FBI. He is repeatedly urged not to make phone calls to contacting Agents except from pay phones.
