The Cuban pilot and crew are scheduled to arrive by boat at Bimini under cover of darkness, load the plane with bombs and fly from Bimini to the Cuban target and back, still under cover of darkness, and return to Miami in their boat.

The raid is now scheduled for 12/27/63 after several postponements caused by adverse weather conditions and by motor trouble with the first plane selected.

This office has been keeping other local agencies, such as U.S. Customs, U.S. Coast Guard, Border Patrol, FAA, State Dept., U.S. Attorney, ONI, G-2 and OSI advised of developments in this case. U.S. Customs and FAA have primary jurisdiction. All of these agencies have expressed great interest in this operation and it appears that without the cooperation of [redacted], these plans might have proceeded without detection. U.S. Customs plans to seize the boat and the bombs as they depart Florida waters.

In 6/63 [redacted] furnished information in the case entitled "MIGUEL ALVAREZ JIMENEZ, aka; ET AL (alleged plan to bomb Shell Oil refinery, Havana, Cuba, 6/15/63), NM" (Bufile 2-1810), which resulted in seizure by Customs of a plane and bombs as the plane was about to depart Miami on a bombing raid.

[redacted] refused to accept compensation on that occasion; however, due to the great amount of time and effort he has spent voluntarily in assisting this office in instant case, he has been paid \$75.00 on 12/12/63 and \$100.00 on 12/24/63.

It is requested the Bureau authorize this office to pay him up to an additional \$200.00 for services rendered, following additional developments in this case, on a C.O.D. basis.

Consideration is being given to opening a new 134 case on [redacted]
