SUBJECT: ^{Joseph} United States v. Bonanno, et al
Southern District of New York
Criminal 159-35

Reference is made to my memorandum to you of June 3, 1959, advising that we would submit a list of prospective witnesses in the captioned case and request any statements or results of interviews which you may have taken from these people. The following is a tentative list of such witnesses. The addresses are the most current disclosed by our files. In those instances where a company or an airline service is named we are requesting the results of any interviews that have been conducted with personnel in that company relating to ticket purchases and flight manifests concerning any of the defendants or co-conspirators at or about the time of the Apalachin Meeting on November 14, 1957. We are, of course, requesting reports of interviews other than those which have been previously furnished to the Department.
