SUMNER J. GLIMCHER

ALL INFORMATION CONTAINED  
HEREIN IS UNCLASSIFIED EXCEPT  
WHERE SHOWN OTHERWISE.

An informant, who has furnished reliable information in the past, advised on April 6, 1959, that he learned from Sumner J. Glimcher that Glimcher is the President of International Transmissions, Incorporated (ITI). According to Glimcher, ITI has been supplying direct news broadcasts from all over the world to a number of radio and television stations in the United States. Since last fall, Glimcher has been trying to get proper accreditation from the Soviet Union so that Miss Priscilla Johnson, a resident of Moscow, could broadcast for ITI.

According to the informant, Glimcher recently contacted the Soviet Embassy in Washington, D. C., and requested the intercession of Soviet Embassy officials in regard to the accreditation of Miss Johnson. Glimcher stated that Yuri I. Permogorov, who represents Radio Moscow in New York, could be contacted for further details.

Glimcher's address is known to the informant as International Transmissions, Incorporated, 480 Lexington Avenue, New York, New York.

Information received from Immigration and Naturalization Service (INS), New York City, on November 27, 1956, reflected that Yuri I. Permogorov arrived in the United States on November 26, 1956, at New York City. INS records reflected Permogorov's occupation as Correspondent for Moscow Radio, Union of Soviet Socialist Republics in New York City.

Enclosed are five copies for the Bureau and three copies for New York of a letterhead memorandum based on info furnished by a highly confidential source (documentation-anonymous).

The memo is classified confidential because of the sensitive nature of the investigative technique used and because it reveals investigative interest in a foreign diplomatic establishment.

WFO records contain no info identifiable with the subject. WFO records contain many references to PRISCILLA JOHNSON, but due to meager info received from source, none are identifiable.

NY proceed in accordance with Section 105-K, Manual of Instructions. Furnish WFO with information copy of investigative results.
