RE: ALBERTO BLANCO
ANTONIO GUZMAN

Reference is made to your communication dated
November 3, 1958, your reference S/8791. (5)

Concerning Alberto Blanco, the "Miami Daily
News" on May 31, 1957, carried an article entitled
"100 Anti-Batista Marchers in Clash with Miami Police,"
which reflected that more than 100 anti-Batista revolu-
tionaries and their friends clashed with the Miami
Police that day when they attempted to march on the
Cuban Consulate, after having first assembled in front
of the bust of Cuban patriot, Jose Marti, in Miami.
According to the article, the demonstrators flashed
signs stating "Down with Batista," "Stop the Bloodshed,"
and "Cuba, the Hungary of America." The article disclosed
that Cesar Fonseca, one of the spokesmen for the group,
stated that the demonstrators did not intend to march
on the Cuban Consulate, which is some five blocks from
the bust of Marti, but that the arrival of police caused
the demonstrators to make a dash for the Consulate. Two
police officers were knocked down and beaten by the
demonstrators. One Alberto Blanco, 1019 Southwest
24th Road, possibly identical with the Blanco concerning
whom you are inquiring, was among those booked by the
Miami Police Department for their part in the demonstration.

(109-430 Serial 1839 pages 129 & 30)

In February, 1958, an informant, who has furnished
reliable information in the past, learned from other sources
that approximately 25 members of the Directorio Revolucionario,
an anti-Batista organization, under the leadership of Faure
Chomon, had reportedly departed from somewhere in Florida
presumably for Cuba. Among the individuals who reportedly
participated in this expedition was one Alberto Blanco,
possibly identical with the Blanco concerning whom you
are inquiring. (97-3400 Serial 35 page 7)

The name of one Antonio Guzman, not further identified, was included in a list of members of the Patriotic Club of July 26, Miami, Florida, which was made available to us in September, 1956, by an informant who advised he had received the list from a source he considered reliable. It is noted that this club is made up of followers of Fidel Castro, Cuban revolutionary leader. It is possible that this Antonio Guzman may be identical with the Guzman concerning whom you are making inquiry. (109-430-1603 page 5)

In the event you obtain any further information concerning the subjects, it would be appreciated if we could be advised. (109-430-1603 page 5)

We have been informed by our Jamaica Office that the above named individuals, both residents of the United States, arrived in Cayman Island from Key West last week. It is alleged they they are both connected with Fidel CASTRO and we should therefore be grateful to know whether you have any adverse traces of either of them.
