2. Miami will attempt to develop additional sources who can furnish information concerning subject's activities.

ADMINISTRATIVE

It is to be noted that Captain ALFREDO GUERRA Y AQUIAR, a relative of PEDRO LUIS DIAZ LANZ, FAR defector, is the source from whom Colonel ERICKSON NICHOLS, Air Attache, United States Embassy, Havana, apparently obtain his information upon which this case is predicated. GUERRA was formerly in the Intelligence Section of the Cuban Air Force. He is still known to be connected with the Cuban Government. As the communications received by this office from the Bureau do not precisely show that GUERRA was the Air Attache's source, the basis for this investion is being attributed to the Air Attache.

MM 635-S in addition to the information set forth in the body of instant report, advised that ARTURO FERNANDEZ DE CASTRO had recently furnished United States Customs some information concerning some B-25 and B-26 planes in the Miami area and claimed that United States Customs, on the basis of his information had agreed to detain these planes. (S)(u)

No dissemination of this report is being made to United States Customs locally and it is recommended that the Bureau not disseminate this report to United States Customs on the Washington level in order to afford adequate protection to MM 635-S. (S)(u)

It is felt that if United States Customs is in contact directly with ARTURO FERNANDEZ DE CASTRO concerning some matters that information might be inadvertently furnished to him through interrogation by United States Customs which would expose MM 635-S. (S)(u)

followers at the Biltmore Terrace Hotel, Miami Beach, had paid \$10,000.00 for several B-25 and B-26 planes in the Miami area. (S) (u)

MM T-1 said that in the middle of January, 1960, DE CASTRO prepared a report for AMEIJEIRAS enumerating the results of his investigations for AMEIJEIRAS, along with other appropriate comments. According to MM T-1, DE CASTRO complained to AMEIJEIRAS about not receiving money promptly from AMEIJEIRAS in return for his services and he was financially hardpressed.
