The Bureau is requested, through the Legat, Paris, to determine if the subject has recently been in France, and if possible, determine his activities while in France. It is also requested that it be determined if TANG Ming-chou, also known as CHU TONG, an official of the People's Republic of China, was in France at the same time, as the subject (S)

It is also requested that the Bureau point out to the Legat, Paris, that it was reliably reported that in September, 1963, the subject contacted TANG Ming-chou in London and that it has also been reported that TANG is in charge of political intelligence for the People's Republic of China as it pertains to English speaking countries.
