ReNYlet 1-29-64 and NYrep 1-27-64 single copies enclosed. There are also enclosed original and two copies of a letterhead memorandum for dissemination to your British contacts. (S)

London contact appropriate British sources and request coverage be assured Perry and TANG. Bureau would be most appreciative of ascertaining what contacts these individuals have with Chinese Communists, captioned subjects and any other United States residents. (S)

As you know from prior communications re captioned subjects, pertinent information re contacts among Perry, TANG, Epstein and captioned subjects originally came to Bureau's attention from NY 694-S*. Because of sensitivity of this source, it is imperative that no indication be given to the British that we are in receipt of any information which could be traced to NY 694-S*.

Be certain British understand the importance of this case in our efforts to penetrate Chinese Communist Intelligence activities. Any pertinent information which they can furnish will be most appreciated.

RE: SUSAN HEILIGMAN FRANK

NOTE:

Captioned subjects are on Security Index. They are suspected of being Chinese Communist agents. During 9-63 Richard Frank suddenly departed U.S. for approximately two weeks in London. NY 694-S* later advised Frank was in contact with Jack Perry, a British Communist; TANG Ming-chao and Israel Epstein, both of whom are Chinese Communist Intelligence agents sharing Perry's office. This data could not be disseminated to British in order to protect NY 694-S*. [A source of New York Office made available names contained in address book belonging to Richard Frank. Using information furnished by this source as a basis for investigation, we can now logically request British to conduct desired investigation.]

Memorandum classified "Confidential" as disclosure of information furnished by 4112-S* could reasonably result in identification of a confidential source of continuing value and compromise its future effectiveness. First source mentioned in memorandum is NY 4112-S*; the second source is CSNY 3 (100-339235-139).

Rebulet to NY 1/9/64 and Bulet to Legat, London, 11/21/63, and NY let to Bureau dated 10/8/63, and captioned, "RICHARD CYRIL FRANK; IS-CH".

ReBulet of 1/9/64, instructs the NYO to make every effort to tie JACK PERRY in with captioned subjects in order to logically request the British for intensive coverage of PERRY, EPSTEIN and TANG Ming-chou without compromising NY 694-S*.

It is to be noted that in reNYlet, it is pointed out in a letterhead memorandum enclosed with reNYlet, that NY 4112-S* advised on 8/20/63 concerning the names contained in a small address book which was believed by NY 4112-S* to belong to RICHARD CYRIL FRANK. Among these names the following appear:

- J. PERRY
London Export Corp.
5 Chandos St.
London W. 1

TA Ming-chou, 86 6730-9 x54

Also appearing in this address book was the following notation "EPSTEINS, H 89 3691, 0 9 0951 x370". This name was not included in reNYlet because of the paucity of identifying data at the time. It now appears that this person may be identical with ISRAEL EPSTEIN and the numbers may be his home and office phone number in London.

It is believed that in view of the above, the Legat, London can request the British to give intensive investigative coverage to PERRY, EPSTEIN and TANG without compromising NY 694-S*.
