It is to be noted that a technique similar to the above has been recently used by other foreign intelligence services. (S) Therefore, the possibility exists that these communications may have some intelligence significance.

The Bureau is requested through liaison to request MI-5 to check back for a few months prior to August, 1963 at the Victoria and Mayfair Hotel in London for any record of BOCK or DEEGAN in order that it may be stated with some certainty that the names BOCK and DEEGAN are fictitious. (S)

The Bureau is also requested to request MI-5 to determine if any officials of the Chinese Peoples Republic were registered at these hotels during the pertinent period with particular regard to TANG MING-CHOU aka Chutong with whom the subject is known to have a relationship. (S)
