DC Rememo Sullivan to Belmont 6/23/62, which advised that General Maxwell D. Taylor, Military Advisor to the President, had furnished copy of letter President received from Mr. Charles Bartlett of "Chattanooga Times". General Taylor asked for information concerning Ernesto Betancourt, a conversation between an FBI man named Winters and an individual named Perramon, and a Florida key to be used by the Ejercito Libertador de Cuba (ELC) as training base. *(S)(u)*

We have prepared a memorandum concerning Ernesto Betancourt, former July 26th Movement representative who has furnished information to Washington Field Office (WFO) in past. *(S)(u)*

WFO has furnished full details with regard to contacts by Special Agent Howard P. Winter with Jorge A. Perramon, paid confidential informant of WFO. These details confirm data in referenced memorandum to effect that Winter made no statements to anyone along the lines set forth therein. *(S)(u)*

With reference to FBI approval for ELC to use Florida key as training base, Perramon was told this was not matter within our jurisdiction and was instructed to tell ELC head he might desire to contact Department directly. *(u)*

Charles Bartlett is professional newspaperman and personal friend of President and Kennedy family. He has been interviewed by Bureau and was cooperative. [Recently, it was recommended and approved that he be sounded out concerning his willingness to make defection approach to Georgi Bolshakov, Soviet Press Secretary and known intelligence agent. *(C)* In view of this, it is believed it would be to Bureau's best interests to contact Mr. Bartlett and give him true facts. *(u)*
