RE: MOVIMIENTO INSURRECCIONAL DE RECUPERACION
REVOLUCIONARIA
(INSURRECCIONAL MOVEMENT OF REVOLUTIONARY
RECOVERY - MIRR)
INTERNAL SECURITY - CUBA

A Confidential Source, who has furnished reliable information in the past, reported in New York City on June 5, 1967, that a meeting took place on June 3-4, 1967, between IGNACIO NOVO, Secretary General of the Movimiento Nacionalista Cubana (Cuban Nationalist Movement - CNM), his brother, GUILLERMO NOVO, both of the New York City - Newark area, and Dr. ORLANDO BOSCH, head of the MIRR. The Confidential Source said that future plans of anti-CASTRO Cubans were discussed. These plans centered in Canada. (S)(M)

According to the Confidential Source, BOSCH wanted to carry out a two-pronged attack against the Cuban Government in Canada. He specifically spoke about the assassination of the Cuban Ambassador to Canada, and an attack on a Cuban ship in the Port of Montreal, Canada. (S)(M)

BOSCH said they would not use a member of the CNM because they were too "hot". He stated that his man "GUTIERREZ" in Miami had nine rockets, timing devices, and C-3 and C-4 (explosives) which could be used in their (S)(M)

RECUPERACION REVOLUCIONARIA

future plans. (S)(u)

BOSCH related that the Cuban exiles wanted to show the United States Government, the FBI, and Immigration and Naturalization Service that what action had been taken against FELIPE RIVERO, National Director of the CNM, could not stop the Cuban exiles in their fight against Prime Minister FIDEL CASTRO of Cuba. (S)(u)

The Confidential Source reported that BOSCH told the NOVO brothers that upon his return to Miami, he would have "GUTIERREZ" send the necessary equipment to one of his, BOSCH's, men in the New York area and coordinate further plans with the CNM through the NOVO brothers. (S)(u)

The MIRR is a small action group of anti-CASTRO Cuban exiles headquartered in Miami under the leadership of ORLANDO BOSCH AVILA, a former medical doctor in Cuba. Since 1961 members of MIRR have been involved in numerous and almost continuous activities of a revolutionary nature, including bombing raids, attempted raids, sabotage, demonstrations, and propaganda.

The CNM is a small action group of anti-CASTRO Cuban exiles with members in Miami, Florida, and the New York City area. Its leader, FELIPE RIVERO, was arrested and incarcerated at Miami on May 12, 1967, by Immigration and Naturalization Service on revocation of his parole. Prior to his arrest, RIVERO had claimed credit on behalf of his organization for firing a bazooka shell at the United Nations Building, New York City, on December 11, 1964, and for three explosions which took place in Canada. He also admitted that the CNM had plans for an action against the Cuban pavilion at Expo 67, Montreal, Canada.

No fingerprints or identification record for Jorge Luis Gutierrez Ulla were located. J

Ottawa furnish the attached fingerprints and Identification Records to RCMP. SA J

Two copies of each of the Identification Records listed above are attached for Miami. J

NOTE: MIRR is militant anti-Castro group which has recently aligned itself with Cuban Nationalist Movement (CNM), another militant anti-Castro group. There have been indications that the MIRR may join CNM in carrying out attacks on Cuban targets in Canada. J

ReMiami airtel furnished photographs and descriptions of key MIRR members whose names are set forth above. Dissemination of this data was made to interested agencies including RCMP. SA J
