SUBJECT: ANGELO BRUNO, aka.
AR
(OO: PHILADELPHIA)

Outstanding Bureau instructions captioned matter requires daily teletype.

Currently Philadelphia receives on a continuing and almost daily basis highly sensitive information from PH 591-C*, PH 623-C*, and PH 614-C-TE. Information from these sources is of such a nature that it requires the Philadelphia Division to send almost daily encoded teletypes. Frequently information received ^{is} was furnished auxiliary offices particularly the Miami and Newark Divisions thereby causing considerable time to encode and uncode these messages.

It is felt that it would be both economical and more secure to handle communications as a daily summary airtel rather than teletype in this matter.

It is requested Bureau authority be granted to submit daily summary airtels rather than teletypes for the above-outlined reasons.

BRUNO CONSIDERED DANGEROUS.
