On 2/3/67, DL 271-C and DL 275-PC advised subjects had not been out of town for past two weeks to their knowledge and stated subjects had been seen regularly at the Airway Liquor Store next door to place of business of informants. On 2/3/67, JOSEPH CIVELLO and ROSARIO MUSSO were seen at the Airway Liquor Store working and shortly thereafter JOSEPH CIVELLO was seen to enter Denny's Restaurant and have lunch and have conversation with DL 275-PC.

It is noted the ability of above informants to advise on activities and whereabouts of subjects was recently pointed up when the Denver Office advised that their informant had just advised that a meeting of hoodlums was to take place in

Denver and that an important Dallas hoodlum was expected to arrive by plane. Within 10 minutes after receipt of the above information, Dallas had all three subjects located in Dallas. It later developed that the information about a meeting concerned several Denver hoodlums most prominent being MICHAEL EUGENE PAULDINO, aka AR, Denver file 92-323, and others in Denver, who were awaiting the arrival from Dallas of one GORDON SHOOK in connection with a jewel swindle. Dallas verified the flight of SHOOK via Braniff Airways from Dallas to Denver and obtained photograph and background of person with same name believed to be identical with SHOOK.

Re: BENNIE H. BICKERS aka  
IGA  
(DL 162-411)

On 2/3/67, DL 275-PC, advised he had just had a conversation with JOSEPH FRANCIS CIVELLO (LCN ~~Boss~~-Dallas), who informed him that DAY KRISTOFFERSON, husband of RUBY DAY, current subject of IGA investigation, has taken over the operation of the Dunes Hotel of Las Vegas, Dallas Office, as BICKERS is in the hospital. Informant further advised that BICKERS is suffering with cancer in both lungs with other complications and is not expected to live and could die any time. Informant said BICKERS' wife came out the other night and picked up a steak for BICKERS and told informant she did not want anyone to know how bad off BICKERS was, but said his condition was critical and he was not expected to live.
