SUBJECT: MOVIMIENTO REVOLUCIONARIO DEL PUEBLO (MRP)  
IS - CUBA

Re Bureau routing slip 7-18-61, with which was furnished a copy of Washington Field Office letterhead memorandum of 7-14-61.

Contact with Cuban sources of the Madrid Office has failed to establish that MARCO RAY has come to Spain, it being noted that reference letterhead memorandum indicated he might accept a position as an engineer which had been offered to him here. (u)

As has been reported to the Bureau, a Cuban who arrived in Spain after the unsuccessful attempted invasion of Cuba on 4-17-61 and who had been engaged in underground activities in Cuba, stated that there was some feeling in Cuba that RAY may have tipped the CASTRO government to the fact that the invasion was coming. (u)

Three extra copies of this letter are attached in the event the Bureau desires to furnish them to the Miami, San Juan, and Washington Field Offices for information. No further action is being taken here at this time. (u)
