ADMINISTRATIVE:

Mr. ALTON BRYANT furnished information reported in this report from the records of General Telephone Company of Florida, Tampa, Florida, and requested his identity be protected.

A careful review of this file reflects that investigation to date has failed to develop information indicating any current criminal activity on the part of subject. He does have associates who are involved in gambling and boxing and on the fringe of the criminal element. It is not believed, however, that this subject is of sufficient stature to warrant continued investigation under the criminal intelligence program and after he is interviewed, it is anticipated that this case will be closed.
