# The Black Vault

---

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.

Re Miami teletype to Bureau and New York, 10/24/68.

MM 1231-C-TE, a member source, advised 10/28/68, that MIKE SABELLA, New York, arrived in Miami, 10/23/68, and departed Miami 10/25/68, to return to New York. He was alone and stayed at the Newport Motel, Miami Beach.

SABELLA conferred with informant and advised him of developments with regard to the "BONANNO situation." SABELLA states that the "call out" scheduled and rescheduled several times this year and finally set for the end of this month, was again cancelled, this time by BONANNO, who has now reaffirmed his position of demanding to be made the "Boss" of all the New York families. BONANNO now claims the allegiance of two New York families, including that of "Mr. NEIL" (ANIELLO DELLACROCE). Informant states that "Mr. NEIL" is the boss of his family (reportedly that of CARLO GAMBINO). BONANNO has threatened to "call out" his "goon squad" of hired assassins if his demands are not met. SABELLA is fearful that a "war" is about to start in New York City.
