The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding area. The overall aesthetic is high-tech and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

Rerep SA VERNON G. WALTERS, Detroit, 10/15/63.

Since submission of rerep, Dept. Attorney WILLIAM FRENCH has not been in Detroit. Through his office at Detroit, FRENCH telephonically requested a preliminary inquiry regarding an allegation received by him from a Department source. This source had hearsay information that during the FDIC examination of Public Bank (which provided the basis for investigation in captioned case) a substantial loan from Public Bank to Redford Iron Works, Inc., (RIW) was in serious difficulty; and that JOSEPH F. VERHELLE, president of Public Bank, allegedly caused HARRY S. LEVINE of Ewald Steel Sales & Supply Co. to assume liability for the loan. LEVINE allegedly did so with the understanding that it was just for the duration of the FDIC examination; but he was not later relieved of this liability by VERHELLE.

FRENCH requested inquiry to determine whether there appears to be any basis for the above allegations and whether there was any connection indicated with the matters under investigation in this case,

Review of the FDIC report of examination of Public Bank and other records indicated extensive business dealings with Public Bank by RIW, Ewald Steel Sales & Supply Co., LEVINE, and IRWIN J. KASOFF, an associate of LEVINE. Former president of RIW, CHARLES A. HORIST, advised LEVINE and KASOFF appeared to have influence at Public Bank; and VERHELLE and JEROME J. ZIELINSKI, a vice president of Public Bank, may have helped them get control of RIW. No connection was indicated with other loans previously investigated in this case.

Report will follow.
