NORMAN ROTHMAN

SAC Weeks advised that Rothman is undoubtedly identical with the Norman Rothman who has been in the past the manager of the Sans Souci nightclub and gambling casino in Havana until the latter part of 1955. Weeks stated that investigation is continuing to definitely establish the indicated identity, but in view of the Norman Rothman connected with the Sans Souci he feels he is identical with the consigne.

The Rothman previously connected with the Sans Souci has furnished information off and on of a general investigative intelligence nature to the Legal Attache. He has a New York City and Miami, Florida, background although he has spent the majority of his time in Havana since 1949. Earlier, while in New York in the 1930s, he was a bookmaker. He subsequently was in the Army in 1946. He went to Miami where he became interested in gambling in Cuba.

Weeks has advised that investigation is continuing and he will keep the Bureau fully informed.
