ReBu Routing Slip dated 5/11/65.

The Bureau by referenced routing slip dated 5/11/65, furnished information from a confidential source abroad to the effect that an unidentified person connected with the Citizen's Committee of Inquiry at 156 Fifth Avenue, NYC, was planning to produce a documentary film about present-day China in cooperation with the producer and Director of "Point of Order". Arrangements were being made to seek permission from the Chinese Peoples Government for the film to be made and from the US Department of State for the persons concerned to visit China. If the State Department refused to grant permission they planned to leave nevertheless and face the consequences on their return. (6)

The source stated that the person connected with the Citizen's Committee of Inquiry was engaged in writing a book and had undertaken to defend a man charged with trying to blow up the Statue of Liberty. (5)

Inquiry at the Motion Picture Association of America on 6/28/65, reveals that EMILE DE ANTONIO was the director and one of the producers of "Point of Order". ANTONIO is the subject of NYfile 100-92714 and Bufile 100-32158.
