# The Black Vault

---

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular mechanical components and bolts. The lighting is dramatic, with the blue glow being the primary light source.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.

INFORMAL NOTE[105-162125]  
(S) [SHAMROCK/Mark LANE] 5-Digital

We refer to your Informal Note, dated 18 October 1967, subject as above, which requested our concurrence for the dissemination of certain information to the White House and the Attorney General, which concurrence you had originally requested on 22 August 1967. This is to confirm our discussion with Mr. PAPICH that verbal clearance was granted for your requested dissemination on 30 August 1967. Apparently this clearance was lost in channels. To ensure that this does not happen again, we have since started to follow-up such verbal concurrences with confirming notes such as this.
