2. Will continue to follow and report Subject's activities.

ADMINISTRATIVE:

It was previously indicated by Criminal Investigation Bureau, Detroit Police Department, that the Subject possibly had a bank account at the National Bank of Detroit, Detroit Branch located at the corner of Warren and Woodrow. A check in that area on August 28, 1963, reflected the National Bank of Detroit had a branch at Warren and 31st Street, which is only one block from Woodrow.

On September 6, 1963, Mr. DONALD JESUALE, Auditing Department, National Bank of Detroit, advised he could locate no account for the Subject at their Warren and 31st Street Branch.

The * informants contained in the letterhead memorandum are DE 925-C* and DE 919-C*. DE 925-C* furnished the first five paragraphs and the remainder of the information was from DE 919-C*.

The reason for the delay in this report reaching the Bureau was due to the fact that the report had been dictated and typed before the change regarding * informants. As a result the whole report had to be retyped.
