BUFFALO DIVISIONSTEVE MAGADDINO, aka

(Bufile 92-2924)

Re Buffalo airtels to Bureau 12/10/60, 12/23/60,  
12/31/60, 1/17/61; Bureau airtels to Buffalo 1/17/61, 1/27/61,  
and 2/9/61.

Surveillances during the past several weeks have  
indicated that the Magaddino Memorial Chapel is still being  
used as a meeting place for STEVE MAGADDINO and his associates.

An established source at the New York Telephone Co.,  
Niagara Falls, N.Y., advised on 10/16/62, that the telephone  
system in the Magaddino Memorial Chapel is the same now as it  
was during the period covered by referenced Buffalo airtels.

Through the cooperation of the telephone company, it  
is believed that a (MATE) in the form of a 44A block can be  
installed in the Chapel's private office where the meetings of  
STEVE MAGADDINO and his associates are held. The present plan  
calls for putting trouble on the telephone and clearing the  
trouble by replacing one of the four 44A blocks with a 44A block  
equipped as a MATE.

If installed this surveillance will be maintained  
at the Buffalo Office over a leased line.

Authority is requested to make this installation at  
the first opportunity when full security can be assured.
