According to the informant, everyone paid homage to STEVE MAGADDINO and when STEVE MAGADDINO saw the informant, he called for him and hugged him with both hands. MAGADDINO advised the informant that there was plenty of food, dancing, and drinking and if there was anything he wanted this night, it would be gotten for him. MAGADDINO called JAMES V. LA DUCA and requested LA DUCA to see to the welfare of the informant and his guest. Informant stated that he observed the following people in attendance at the reception in addition to those previously identified:

JOE TRIPPI, who has an interest in Camellia Laundry

MARY (LNU), who has something to do with Camellia Laundry

SAM MIANO

JOHN CAMMILLERI

AL PACINI, Buffalo attorney

MANCUSO, aka "The Goose," formerly with Corporation Council

MIKE PANARO, son-in-law of SNOWBALL

STEVE CANNAROZZO

SAM LAGATTUTA

ROCCO LA PENNA

WHITEY JACOBI

AUGUSTINE TERRITO, the groom, who is in the rackets in a small way.

In addition to the above, the following individuals whose names are unknown were also observed in attendance by the informant:

BU 92-61

Owner, Pine Bowling Alleys

An individual who had a hole in his head, with ugly scar tissues who was described to the informant as being worked over with a hammer.

During the evening JAMES LA DUCA mentioned to the informant that Buffalo is opening up and that LA DUCA is contemplating opening up or operating a high class of prostitutes and asked the informant if he would be interested in running this operation. LA DUCA explained that Buffalo needs high class prostitutes and that the operation would work as follows:

Informant would obtain photographs of the prostitutes from this album and successful men such as lawyers, judges, priests, etc. would select the girl of his choice and the informant would deliver the girl to the man and subsequently pick her up at a pre-arranged time. Informant would get a percentage of the action. LA DUCA stated that this would be a real high class operation, that Buffalo is in need of this type of service, and that if the informant is highly regarded if the plan works out, he will be given a piece of the percentage of the action.
