Honorable Bob McEwen
House of Representatives
Washington, D.C. 20515

Dear Congressman McEwen:

This is in further response to your July 9th inquiry on behalf of Ms. Carolyn Sollar. Ms. Sollar requests that the files on the assassination of President John F. Kennedy be released.

As you are aware, legislation was recently introduced in both the Senate and the House regarding the release of all Government files pertaining to the assassination of President John F. Kennedy. In an effort to be of possible assistance in responding to your constituent's concern, I am enclosing a copy of the Director's remarks before the Committee on Governmental Affairs on May 12th regarding the Assassination Materials Disclosure Act, Senate Joint Resolution 282. You will note in reading that Director Sessions supports the maximum disclosure under the law of information pertaining to President Kennedy's assassination. You will also note his assurance that the FBI will work cooperatively through the Department of Justice with both the Senate and the House to develop a comprehensive approach to these important issues.

I hope this information will assist you in responding to Ms. Sollar.

Sincerely yours,

John E. Collingwood
Inspector in Charge
Office of Public and
Congressional Services
