DETAILS: At present the JFK Task Force (JFKTF) uses eight senior analysts to review the work of 28 individuals who are doing the initial processing of files. Set forth below is a discussion of the fact that the number of people processing the documents in our JFK-related files can be reduced at this point in time so that some task force members can return to their previous assignments.

John T. Gorman	Elizabeth A. Buttgen
Darlene Dunning	Cora Nellie Gill
Arnita Singleton	Darlene Norman
