RE: Additional Information Request No. FBI-5 (172-S)

Dear Terry:

The ARRB staff requests access to any and all FBI informant files (or "source" files) associated with the person or persons designated by any of the following symbol numbers: DL 172-S, NO 172-S, and MC [or MEX] 172-S. Our request extends to any and all such files presently or previously maintained by FBI Headquarters or any FBI field office, legal attaché or resident agency, with particular reference to the Dallas and New Orleans field offices and the legal attaché in Mexico City. Our request includes all files presently or previously maintained on such person or persons under the "134" or "137" classification, regardless of whether the FBI may have designated such person or persons as criminal informant(s), potential criminal informant(s), security informant(s), potential security informant(s), confidential source(s), counterintelligence asset(s) or any other type of source of information, and regardless of whether such person or persons ever received payment from the FBI.

62C-40-1029205-869

In view of the FBI's stated concerns regarding inadvertent or unauthorized disclosure of informant-related material, we will be happy to discuss with you appropriate procedures for our handling and review of any material responsive to this request.

Thank you for your continuing cooperation.

Sincerely yours,

David Marwell
